Khalida Stiles lives in sunny West Hollywood with her beautiful partner. During the day she works with numbers, but at nightfall she escapes to the world of erotica. She enjoys reading just as much as writing, and she started writing erotica in early 2014 for her own amusement and hopefully for yours too.

She enjoys erotic stories about lesbian seductresses, and the women and men who serve them. Submission and seduction are what make Khalida's world go around. She hopes you join her for the ride soon.
